### QSI International School of Sarajevo Scholarship Announcement

The QSI International School of Sarajevo would like to provide an exceptional student with the opportunity to study at our school during the 2016-2017 school year. Scholarships are based on prior academic performance and financial need.

#### Guidelines:

- Applications for scholarship are prioritized: first, applications from existing scholarship students and applications from students who are entering our secondary program, second, applications from students who are entering the 11-year-old class and above, and, finally, applications from students who are entering the 5-year-old class and above.
- All new applicants for scholarship must meet with the Director before the application may be acted upon.
- Preference will be given to applicants from Bosnia and Herzegovina entering the secondary program.
- The applicant must exhibit enthusiasm, aptitude and a sense of commitment to his/her education.
- Knowledge of the English language is preferred.
- A scholarship application form can be obtained at <https://www.qsi.org/media/40660/scholarship-application-updated-2017-web-version.pdf>.
- Completed applications with supporting income and school documents must be received by April 1. **\*Incomplete or late applications will be denied.**
- Families must reapply each year to ensure commitment to the school and educational community.
